CCRC Training Policies & Procedures

How do I register and pay for a workshop?

- Registration is done online on the Ohio Professional Registry at https://registry.occrra.org
- Payments are made through the Registry with a credit card or debit card
- To find workshops, click "Find Training" and scroll through the list of all Ohio trainings. You can narrow the list through a Training Search by title or training ID number and date range and/or by county
- To register, click on the title of the training and then click the "Add to Cart" button
- Click the shopping cart icon when finished
- Click "View Cart" and review your list of trainings and fees. Click "Remove" for any trainings you don't want
- Add coupon codes by click the "Add Coupon" button. Enter the code and click the "Apply Coupon" button
- Click "Checkout"
- Check and enter any missing contact information and enter your payment information
- Click "Checkout" to finish and get your confirmation notice

How do I know where to go for a workshop? How do I get notified of changes?

- Addresses and a map for every workshop are listed on the training's information page on the Registry
- We may not have room numbers right away; check the Registry for updates or call the CCRC
- If we have to change a location, you will get a call or email; be sure your contact information on your Registry profile is up to date. **It is your responsibility to keep your own Registry Profile current**

I am on the waiting list for a workshop. May I come anyway and see if there will be an open seat that day?

- No, the CCRC does not encourage showing up in case there is an empty seat (it can create challenges for everyone)
- If someone cancels, the next person on the waiting list will get a call or email to be added to the training
- You may call the CCRC to check on available seats before the training date

What happens if I am late for a workshop?

- Late arrivals will not be accepted at any CCRC workshop
- Your attendance will not be verified for credit on your Registry Profile and you may be asked to leave

Are there refreshments and food at workshops?

- Coffee, tea, and water are available at the CCRC for free; you may also buy other drinks and snacks at the CCRC
- Food and drinks may not always be available at other locations but you are welcome to bring your own
- Breaks may be offered to allow for everyone's comfort. A lunch break is provided for most daytime sessions longer than 4 hours; you may pack a lunch or dine out

How do I cancel my registration for a workshop? What happens if the CCRC cancels? Do I get a refund?

- If you cannot attend, cancel your registration by the deadlines listed on the Registry. Cancelation deadlines are at least 48 hours before a training. You may cancel through the Registry or call us at (440) 242-0413 ext. 235 or ext. 237. Refunds are given if you cancel by the deadline and call (440) 242 0413 ext. 225 to request a refund. Processing fees are held from the refund. No refund will be given if you cancel after the deadline
- We will cancel a training when there are not enough people registered to hold it. If this happens, you will receive a phone call or email and a full refund
- In case of weather and emergencies, we will post cancellation through TV and radio stations who use iAlert. We will reschedule these trainings. Refunds are given when we are not able to reschedule
- **For employers:** Fees and invoices must be paid in full. This includes fees for staff who do not cancel before the deadline or do not show for a training. However, you may call (440) 242 0413 ext. 235 to replace staff for cancellations before the training.

I need proof of attendance. Do I get a certificate?

- Your attendance will be recorded through the Ohio Professional Registry following ODJFS licensing rules. If you need a paper copy of the ODJFS In-Service form, complete a request form with the workshop date and title. The form will be emailed to you one time at no cost
- If you need a replacement copy of the ODJFS In-Service form, you must complete a Replacement Request. There is a $5.00 fee per form
- Visit www.ccrcinc.com to print these request forms. They are found on our training page under "FAQ."

I need to renew my CDA. Can I get training credit for that?

- Ohio Approved workshops that meet CDA guidelines can be used to renew your CDA credential. To print your report of eligible CDA training, log into your Registry profile. Go to your profile page and click "Personal Reports" then "CDA Report." Print this report to submit with your CDA renewal application
