

Child Care Resource Center The Child Development Associate (CDA) Academy

Basic elements of the CDA Academy:

Approved for
SUTQ &
College Credit

- Class meets once a week in the evening (Tuesdays: 6:30-9:00 pm)
- One trainer guides you through the program
- Relationships created among classmates and trainer
- Materials planned to increase your skills and knowledge
- Class work based on your actual experiences with children and families
- Diverse backgrounds, personalities, and learning styles are honored

The four courses of the program are:

1. Planning, Establishing, & Maintaining a Safe, Healthy, Learning Environment
2. Principles of Child Development/Supporting Children's Growth
3. Establishing Positive Working Relationships with Families
4. Ensuring Effective Program Operations & Management

Four Courses
Completed in
15 Months

The program is open to family childcare providers, infant-toddler caregivers/teachers, and preschool teachers/caregivers. Participants must attend all courses to complete the program successfully. Eligible for Workforce Investment funding.

Unlike other programs that provide just the training or just help with your CDA portfolio, the CCRC provides both! Our CDA Academy is a full experience that provides you the training hours as well as the support to complete CDA requirements and receive your CDA credential!

Next academy starts September 2, 2014

Orientation meeting: August 11, 2014

(You must attend the orientation to join CDA Academy.)
