

## Save Time & Money With ASQ:3 On-line Through the CCRC!

The parent-completed **Ages & Stages Questionnaires®**, *Third Edition* (ASQ-3™) is the most accurate, family-friendly way to screen children for developmental delays between one month and 5½ years.

The Child Care Resource Center is a hub for ASQ:3 on-line, where you can track, send electronically and have your questionnaires scored automatically, which in the long run saves your program time & money!

### Why Participate in ASQ:3 On-line through CCRC:

- CCRC will provide your program with a ASQ:3 Kit - Cost \$275
- ASQ:3 Online can assist in meeting the SUTQ Early Learning & Development Sub Domain (Child Screening & Assessment) for Star levels 2, 3, 4, 5
- The web-based system can be accessed anywhere and is user-friendly for program, staff, and parents
- Slash your paperwork time through streamlined data management processes (Great tracking system of screenings for SUTQ)
- Eliminate the cost of photocopying and mailing questionnaires by sending them electronically
- Ensure accuracy with automated scoring and questionnaire selection
- Analyze results with child and program reports
- Quickly access activities parents can try at home to encourage child progress and e-mail to the families
- Personalize questionnaires with your program logo
- All the cost to the program is .50 cents per questionnaire(s)
- Much More!

If interested, please complete the Memorandum of Understanding and return to the CCRC. You will be on your way to saving **TIME & MONEY!** For additional questions, please contact Jennifer Bartlebaugh, Provider Services Coordinator at 440-960-7187 Ext. 225.
