Teaming With the Child Care Resource Center

Cloud-based
CaaS

Delivering Cloud Based Child Care Management Software as a Service

Designed to Power your Child Care Business Online

FEATURES

Family Accounting & Billing

Track all your family & child records, automatic billing, payments, child immunizations, etc.

Electronic Parent/Staff Sign-In/Out

Easy to implement, no special hardware or software is required. You can use a PC, laptop or tablet.

Staff Record/Time Sheet

Efficiently manage your staff records, work schedule, PTO and generate time sheet for payroll.

Online Tuition Payment

Convenient for parents, hassle free for Center Director, and predictable cash flow.

Parent Portal

Parents securely login to update the records, view statements and manage payments.

Camp Registration

Parents register for camp sessions online. Automatically calculate discounts and process payment.
