

MEAL PLANNING WITH A PURPOSE

Are you struggling to plan meals for the children in your care:

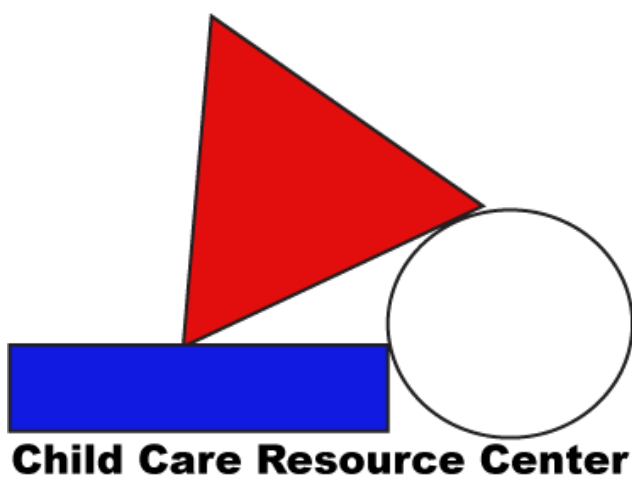

- That they will actually eat
- That meet licensing standards
- That reduce food waste/costs

Meal planning for your child care business can be overwhelming. There are so many things to think about like licensing rules, cost and picky eaters.

The Child Care Resource Center can help.

For Cyber Monday we are offering a special package of meal planning services:

- Thirty full days of child tested menus and recipes - that's 90 meals!
- Meal planning guide and template specifically for child care providers!
- One hour of individual coaching from our child care food experts to answer questions, review meal plans, help with shopping lists and more!
