

Child and Adult Care Food Program Center's Mealtime Service Change Form

Ohio Department of Education (ODE) requires sponsors to keep current meal service times on ODE's CACFP Application. CCRC will make these updates on the application and KidKare.

Record below your center's current meal service times for each slot applicable, even if they have not changed. If you have any questions, reach out to CCRC. If changes occur in the future, please submit this form to dchiller@ccrcinc.com and kcaraballo@ccrcinc.com.
