

# OnCare Child Care Management System

Navigating day-to-day activities in a child care center can be overwhelming. Finding strategies to help streamline daily activities and ensure that information, billing and staffing are all current is a daunting task. Child care management software is the answer, but which one should you use?

The CCRC offers **OnCare** as the solution for a minimal yearly subscription. By becoming a CCRC **OnCare** user you will receive access to the full **OnCare** Child Care Management system with local technical support from the CCRC. CCRC **OnCare** subscribers also receive training, materials and collaboration with other CCRC **OnCare** users. Here are some of the features you can expect with your subscription:

- Family & Child Information
- Family Accounting & Billing
- Electronic Parent/Staff sign in & out
- Staff Record/Time Sheet
- Online Tuition payment
- Bridged with Minute Menu tool
- Parent Portal
- Camp Registration
- Access Anywhere and on any device
